

Video Title: Finance

Video Description: Finance is sector of Merck that supports the many facets of the company. Andrea Gonzalez says she enjoys the important task of providing financial forecasts to clients and stakeholders.

Andrea Gonzalez, Finance Manager of Manufacturing Division

My name is Andrea Gonzalez I work in finance supporting the Merck Manufacturing Division.

Andrea

:08

Primarily in finance we use excel you know to do NPV calculations. We also as business support we meet actively with our clients.

Andrea

:20

Basically um finance is one of the stakeholders in the meeting table where we look at creative solutions to problems and partner with the business and solving wherever issue is at hand so those benefits pass over the patient.

Andrea
