

Video Title: Merck Abilities

Video Description: Merck actively seeks and recruits people with disabilities to join our team. Merck values individuals for their educational background and job qualifications and will accommodate those individuals for their specific needs.

Ann Marie Geiger, Staff Scientist in Change Management

It was obvious when I interviewed at Merck that they looked at me differently, they recognized my ability and not my disability.

Deborah Dagit, VP and Chief Diversity Officer

:11

This is a place where you will be welcomed with open arms for what you can do.

Ann Marie Geiger

:15

As an administrator of change control I especially enjoy working with our database which processes change requests which describes changes to the various manufacturing vaccines.

Deborah

:30

And if an accommodation is requested that is something not for a second would hesitate.

Ann Marie

:34

When moving from building I have seen facility modifications which have included instillation of automatic door.

Ann Marie

:42

if your job involves a challenge which is difficult because of a special need Merck will help you overcome that challenge.

Deborah

:50

I am a person with a disability I am 4 feet tall I walk with a cane and Merck did not hesitate to put me into a senior executive role when I came here, so if you have any doubt that a person with a disability again whether visible or hidden can be successful at Merck, come talk to me.
