Glossary of Recipient Type

In general, the recipient types listed below are recognized by the Accreditation Council for Continuing Medical Education (ACCME), the American Osteopathic Association (AOA), the American Association of Family Physicians (AAFP), the Accreditation Council for Pharmacy Education (ACPE) and other accrediting organizations, as providing certified CME/CE activities or credit to physicians and allied healthcare professionals. (See Merck CME/CE grant website www.ce-support.com for the complete list of accreditations and credit types Merck recognizes.)

AMC – Academic Medical Center – The 129 US Medical Schools that are members of the Association of Academic Medical Colleges (AAMC) and the 25 Colleges of Osteopathic Medicine that are members of the American Association of Colleges of Osteopathic Medicine (AACOM).

PS – Professional Society – US – based medical healthcare professional associations that provide certified CME/CE activities to physicians, physician assistants, nurse practitioners, nurses, pharmacists and other allied healthcare professionals. (See Pharm below if only continuing pharmacy education (CPE) activities are supported.)

Hosp – Hospital – In general, US hospitals that are accredited by state medical societies that are recognized by the Accreditation Council for Continuing Medical Education (ACCME).

Pharm – Pharmacy – Organizations that are accredited providers of continuing pharmacy education (CPE) activities as recognized by the Accreditation Council for Pharmacy Education (ACPE). ACPE is the national agency for the accreditation of professional degree programs in pharmacy and providers of continuing pharmacy education. (Pharmacy is the recipient type use if only CPE is supported.)

MEC – Medical Education Company – US medical education and communication companies that, in general, are recognized by the Accreditation Council for Continuing Medical Education (ACCME).

Other – Organizations that do not fit in the above classifications that are also recognized by the above mentioned certified CME/CE institutions (such as clinics, government groups, research centers, physician assistant, nurse practitioner and nursing, etc.)
