7.	Ms. Lucine Beauchard	Vice President, Business Practices and Compliance; formerly Executive Director, Arthritis and Analgesia Therapeutic Business Group, Marketing, U.S. Human Health

¹ Many of the witnesses we interviewed held more than one position at Merck over the course of the period covered by our investigation. We have included the position each witness held during the major part of the relevant period, as well as important committee memberships. Witnesses who are no longer with Merck are denoted with an “**” next to their names. Outside consultants to Merck and Merck directors that we interviewed are denoted with an “†” next to their names.

² As described in Exhibit 1, we use the term “Therapeutic Business Group” to refer to the team under that name, and under its previous name, the “Franchise Business Group,” and do the same with regard to the titles in this Exhibit.

8.	Dr. Gregory Bell**	National Medical Director
