SECTION 1. IDENTIFICATION

Product name Other means of identification	:	Benzylpenicillin / Dihydrostreptomycin Sulphate Formulation No data available		
Manufacturer or supplier's o	deta	ails		
Company name of supplier	:	Merck & Co., Inc		
Address	:	126 E. Lincoln Avenue		
		Rahway, New Jersey U.S.A. 07065		
Telephone	:	908-740-4000		
Emergency telephone	:	1-908-423-6000		
E-mail address	:	EHSDATASTEWARD@merck.com		
Recommended use of the chemical and restrictions on use				

Recommended use	:	Veterinary product
Restrictions on use	:	Not applicable

SECTION 2. HAZARDS IDENTIFICATION

GHS classification in accordance with the Hazardous Products Regulations

Respiratory sensitization	:	Sub-category 1A
Skin sensitization	:	Sub-category 1B
Reproductive toxicity	:	Category 2
Specific target organ toxicity - repeated exposure (Oral)	:	Category 1 (ear, Kidney, inner ear)
GHS label elements Hazard pictograms	:	

Signal Word	:	Danger
Hazard Statements	:	 H317 May cause an allergic skin reaction. H334 May cause allergy or asthma symptoms or breathing difficulties if inhaled. H361d Suspected of damaging the unborn child. H372 Causes damage to organs (ear, Kidney, inner ear) through prolonged or repeated exposure if swallowed.
Precautionary Statements	:	Prevention: P201 Obtain special instructions before use. P202 Do not handle until all safety precautions have been read and understood.

SAFETY DATA SHEET according to the Hazardous Products Regulations

Benzylpenicillin / Dihydrostreptomycin Sulphate Formulation

ersion Revision Dat 4 09/30/2023	e: SDS Number: Date of last issue: 04/04/2023 10811351-00006 Date of first issue: 07/08/2022
	 P260 Do not breathe mist or vapors. P264 Wash skin thoroughly after handling. P270 Do not eat, drink or smoke when using this product. P272 Contaminated work clothing should not be allowed out of the workplace. P280 Wear protective gloves, protective clothing, eye protection and face protection. P284 Wear respiratory protection.
	 Response: P302 + P352 IF ON SKIN: Wash with plenty of water. P304 + P340 IF INHALED: Remove person to fresh air and keep comfortable for breathing. P308 + P313 IF exposed or concerned: Get medical attention. P333 + P313 If skin irritation or rash occurs: Get medical attention. P342 + P311 If experiencing respiratory symptoms: Call a doctor. P362 + P364 Take off contaminated clothing and wash it before reuse.
	Storage: P405 Store locked up.
	Disposal: P501 Dispose of contents and container to an approved waste disposal plant.
Other hazards	

Components

Chemical name	Common Name/Synonym	CAS-No.	Concentration (% w/w)
Dihydrostreptomycin sulphate	No data availa- ble	5490-27-7	27.89
Benzylpenicillin	No data availa- ble	61-33-6	20
Sodium hy- droxymethanesulphi- nate	Methanesulfinic acid, 1-hydroxy- , sodium salt (1:1)		0.25

SECTION 4. FIRST AID MEASURES

General advice

 In the case of accident or if you feel unwell, seek medical advice immediately.
 When symptoms persist or in all cases of doubt seek medical

Versi 2.4	ion	Revision Date: 09/30/2023		DS Number: 811351-00006	Date of last issue: 04/04/2023 Date of first issue: 07/08/2022
				advice.	
I	lf inhale	ed	:		ive artificial respiration. icult, give oxygen.
I	In case	of skin contact	:	In case of contact of water. Remove contamin Get medical atten Wash clothing be	, immediately flush skin with soap and plenty nated clothing and shoes. tion.
I	In case	of eye contact	:		ater as a precaution. tion if irritation develops and persists.
I	lf swalle	owed	:	If swallowed, DO Get medical atten	NOT induce vomiting.
á		nportant symptoms ects, both acute and d	:	May cause an alle May cause allergy ties if inhaled. 		ion of first-aiders	:	First Aid responde and use the recor when the potentia	ers should pay attention to self-protection, nmended personal protective equipment Il for exposure exists (see section 8).
I	NOLES L	o physician	•	neal symptomati	cally and supportively.

SECTION 5. FIRE-FIGHTING MEASURES

Suitable extinguishing media	:	Water spray Alcohol-resistant foam Carbon dioxide (CO2) Dry chemical
Unsuitable extinguishing media	:	None known.
Specific hazards during fire fighting	:	Exposure to combustion products may be a hazard to health.
Hazardous combustion prod- ucts	:	Carbon oxides Metal oxides
Specific extinguishing meth- ods	:	Use extinguishing measures that are appropriate to local cir- cumstances and the surrounding environment. Use water spray to cool unopened containers. Remove undamaged containers from fire area if it is safe to do so. Evacuate area.
Special protective equipment for fire-fighters	:	In the event of fire, wear self-contained breathing apparatus. Use personal protective equipment.

SAFETY DATA SHEET according to the Hazardous Products Regulations

Benzylpenicillin / Dihydrostreptomycin Sulphate Formulation

Version	Revision Date:	SDS Number:	Date of last issue: 04/04/2023

If diked material aped, store recovered material in appropriate emaining materials from spill with suitable tional regulations may apply to releases and this material, as well as those materials and items in the cleanup of releases. You will need to which regulations are applicable. B and 15 of this SDS provide information regarding I or national requirements.

SECTION 7. HANDLING AND STORAGE

Local/Total ventilation		See Engineering measures under EXPOSURE CONTROLS/PERSONAL PROTECTION section. Use only with adequate ventilation. Do not get on skin or clothing. Do not breathe mist or vapors. Do not swallow. Avoid contact with eyes. Wash skin thoroughly after handling. Handle in accordance with good industrial hygiene and safety practice, based on the results of the workplace exposure assessment Keep container tightly closed. Already sensitized individuals, and those susceptible to asthma, allergies, chronic or recurrent respiratory disease, should consult their physician regarding working with respiratory irritants or sensitizers. Do not eat, drink or smoke when using this product. Take care to prevent spills, waste and minimize release to the environment. Keep in properly labeled containers.
Conditions for sale storage	•	Keep tightly closed.

Version	Revision Date:	SDS Number:	Date of last issue: 04/04/2023
2.4	09/30/2023	10811351-00006	Date of first issue: 07/08/2022
Mater	ials to avoid	: Do not store with Strong oxidizing	ostances and mixtures

SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Ingredients with workplace control parameters

Components	CAS-No.	Value type (Form of exposure)	Control parame- ters / Permissible concentration	Basis
Dihydrostreptomycin sulphate	5490-27-7	TWA	0.4 mg/m3 (OEB 2)	
	Further inform	ation: OTO		
		Wipe limit	Not required	
Benzylpenicillin	61-33-6	TWA	600 μg/m3 (OEB 2)	Internal
	Further information: RSEN, DSEN			
		Wipe limit	100 µg/100 cm2	Internal

Engineering measures :	Use appropriate engineering controls and manufacturing technologies to control airborne concentrations (e.g., drip- less quick connections). All engineering controls should be implemented by facility design and operated in accordance with GMP principles to protect products, workers, and the environment. Laboratory operations do not require special containment.
Personal protective equipment	
Respiratory protection :	If adequate local exhaust ventilation is not available or

Respiratory protection	:	If adequate local exhaust ventilation is not available or exposure assessment demonstrates exposures outside the recommended guidelines, use respiratory protection.
Filter type Hand protection	:	Particulates type
Material	:	Chemical-resistant gloves
Eye protection	:	Wear safety glasses with side shields or goggles. If the work environment or activity involves dusty conditions, mists or aerosols, wear the appropriate goggles. Wear a faceshield or other full face protection if there is a potential for direct contact to the face with dusts, mists, or aerosols.
Skin and body protection Hygiene measures	:	Work uniform or laboratory coat. If exposure to chemical is likely during typical use, provide
nygiene measures		eye flushing systems and safety showers close to the working place. When using do not eat, drink or smoke.

Version 2.4	Revision Date: 09/30/2023		S Number: 311351-00006	Date of last issue: 04/04/2023 Date of first issue: 07/08/2022
			workplace. Wash contaminat The effective ope engineering contr appropriate dego	erk clothing should not be allowed out of the red clothing before re-use. ration of a facility should include review of ols, proper personal protective equipment, whing and decontamination procedures, e monitoring, medical surveillance and the tive controls.

SAFETY DATA SHEET according to the Hazardous Products Regulations

Benzylpenicillin / Dihydrostreptomycin Sulphate Formulation

Vers 2.4	ion	Revision Date: 09/30/2023		S Number: 811351-00006	Date of last issue: 04/04/2023 Date of first issue: 07/08/2022
	Effects	on fetal development	:	Test Type: Develo Species: Rat Result: No effects Test Type: Develo Species: Rabbit	on fetal development. opment on fetal development.
	Sodium	n hydroxymethanesul	phi	nate:	
	Effects	on fertility	:		
	Effects	on fetal development	:	Test Type: Embry Species: Rat Application Route: Method: OECD Te Result: positive	
	Reprod sessme	uctive toxicity - As- nt	:	Some evidence of animal experiment	adverse effects on development, based on ts.

STOT-single exposure

Not classified based on available information.

STOT-repeated exposure

Causes damage to organs (ear, Kidney, inner ear) through prolonged or repeated exposure if swallowed.

Components:

Dihydrostreptomycin sulphate:

Assessment

: Causes damage to organs through prolonged or repeated exposure.

Repeated dose toxicity

Components:

Dihydrostreptomycin sulphate:

Species	:	Guinea pig
LÕAEL	:	40 mg/kg
Application Route	:	Oral

SEC	TION 1	3. DISPOSAL CONSIL	DER	ATIONS	

Disposal methods	
Waste from residues	: Do not dispose of waste into sewer.
	Dispose of in accordance with local regulations.
Contaminated packaging	 Empty containers should be taken to an approved waste handling site for recycling or disposal. If not otherwise specified: Dispose of as unused product.

Revision Date Date format	:	09/30/2023 mm/dd/yyyy

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and shall not be considered a warranty or quality specification of any type. The information provided relates only to the specific material identified at the top of this SDS and may not be valid when the SDS material is used in combination with any other materials or in any process, unless specified in the text. Material users should review the information and recommendations in the specific context of their intended manner of handling, use, processing and storage, including an assessment of the appropriateness of the SDS material in the user's end product, if applicable.
