

Version 1.9	Revision Date: 09/28/2024		DS Number: 13847-00010	Date of last issue: 09/30/2023 Date of first issue: 10/30/2020	
SECTIO	N 1. IDENTIFICATION				
Product name Other means of identification		:	Benzylpenicillin / Dihydrostreptomycin Sulphate / Nafcillin Formulation No data available		
Mar	nufacturer or supplier's	deta	ails		
Company name of supplier Address		:	: 126 E. Lincoln Avenue Rahway, New Jersey U.S.A. 07065		
Telephone Emergency telephone E-mail address		:	908-740-4000 1-908-423-6000 EHSDATASTEWARD@merck.com		
Rec	ommended use of the c	hen	nical and restriction	ons on use	
Recommended use Restrictions on use		:	Veterinary product Not applicable		

SECTION 2. HAZARDS IDENTIFICATION

GHS classification in accordance with the Hazardous Products Regulations

Respiratory sensitization	:	Sub-category 1A
Skin sensitization	:	Sub-category 1B
Specific target organ toxicity - repeated exposure (Oral)	:	Category 1 (ear, Kidney, inner ear)
Aspiration hazard	:	Category 1
GHS label elements Hazard pictograms	:	
Signal Word	:	Danger
Hazard Statements	:	 H304 May be fatal if swallowed and enters airways. H317 May cause an allergic skin reaction. H334 May cause allergy or asthma symptoms or breathing difficulties if inhaled. H372 Causes damage to organs (ear, Kidney, inner ear) through prolonged or repeated exposure if swallowed.
Precautionary Statements	:	Prevention: P260 Do not breathe mist or vapors. P264 Wash skin thoroughly after handling.

SAFETY DATA SHEET according to the Hazardous Products Regulations

Benzylpenicillin / Dihydrostreptomycin Sulphate / Nafcillin Formulation

rsion)	Revision Date: 09/28/2024	SDS Number: 7213847-00010	Date of last issue: 09/30/2023 Date of first issue: 10/30/2020

SECTION 5. FIRE-FIGHTING MEASURES

Suitable extinguishing media	:	Water spray Alcohol-resistant foam Carbon dioxide (CO2) Dry chemical
Unsuitable extinguishing media	:	None known.
Specific hazards during fire fighting	:	Exposure to combustion products may be a hazard to health.

Vers 1.9	sion	Revision Date: 09/28/2024		9S Number: 13847-00010	Date of last issue: 09/30/2023 Date of first issue: 10/30/2020		
	Hazardous combustion prod- ucts		:	Carbon oxides Metal oxides			
	Specific extinguishing meth- ods		:	Use extinguishing measures that are appropriate to local of cumstances and the surrounding environment. Use water spray to cool unopened containers. Remove undamaged containers from fire area if it is safe t so. Evacuate area.			
	Special protective equipment for fire-fighters		:	In the event of fire, wear self-contained breathing apparatus. Use personal protective equipment.			
SEC	CTION 6	ACCIDENTAL RELE	ASE	EMEASURES			
	Personal precautions, protec- tive equipment and emer- gency procedures		:	Use personal protective equipment. Follow safe handling advice (see section 7) and personal protective equipment recommendations (see section 8).			
	Environmental precautions		:	Avoid release to the environment. Prevent further leakage or spillage if safe to do so. Prevent spreading over a wide area (e.g., by containment or oil barriers). Retain and dispose of contaminated wash water. Local authorities should be advised if significant spillages cannot be contained.			
	Methods and materials for containment and cleaning up		:	Soak up with inert absorbent material. For large spills, provide diking or other appropriate containment to keep material from spreading. If diked material can be pumped, store recovered material in appropriate container. Clean up remaining materials from spill with suitable absorbent. Local or national regulations may apply to releases and disposal of this material, as well as those materials and iter employed in the cleanup of releases. You will need to determine which regulations are applicable. Sections 13 and 15 of this SDS provide information regarding certain local or national requirements.			

SECTION 7. HANDLING AND STORAGE

Technical measures	: See Engineering measures under EXPOSURE
	CONTROLS/PERSONAL PROTECTION section.
Local/Total ventilation	: Use only with adequate ventilation.
Advice on safe handling	: Do not get on skin or clothing.
	Do not breathe mist or vapors.
	Do not swallow.

Version 1.9	Revision Date: 09/28/2024	SDS Number: 7213847-00010	Date of last issue: 09/30/2023 Date of first issue: 10/30/2020			
		Handle in accor practice, based assessment Keep container Already sensitiz to asthma, aller should consult t respiratory irrita Do not eat, drin	bughly after handling. dance with good industrial hygiene and safety on the results of the workplace exposure			
Conditions for safe storage		: Keep in properly labeled containers. Store locked up. Keep tightly closed.				
Mate	erials to avoid	: Do not store wit Strong oxidizing Self-reactive su	Store in accordance with the particular national regulations. Do not store with the following product types: Strong oxidizing agents Self-reactive substances and mixtures Organic peroxides Explosives
