## Levamisole / Oxfendazole Formulation

Version	Revision Date:	SDS Number:	Date of last issue: 04/06/2024
2.0	07/06/2024	10808165-00006	Date of first issue: 07/05/2022

#### **SECTION 1. IDENTIFICATION**

Product name	:	Levamisole / Oxfendazole Formulation
Other means of identification	:	Scanda (A007130)

#### Manufacturer or supplier's details

Company name of supplier	:	Merck & Co., Inc
Address	:	126 E. Lincoln Avenue
		Rahway, New Jersey U.S.A. 07065
Telephone	:	908-740-4000
Emergency telephone	:	1-908-423-6000
E-mail address	:	EHSDATASTEWARD@merck.com

#### Recommended use of the chemical and restrictions on use

Recommended use	:	Veterinary product
Restrictions on use	:	Not applicable

#### **SECTION 2. HAZARDS IDENTIFICATION**

GHS classification in accordance with the Hazardous Products Regulations					
Reproductive toxicity	:	Category 1B			
Specific target organ toxicity - repeated exposure	:	Category 2 (Liver, Testis)			
Specific target organ toxicity - repeated exposure (Oral)	:	Category 2 (Blood, Testis)			
GHS label elements					
Hazard pictograms	:				
Signal Word	:	Danger			
Hazard Statements	:	H360FD May damage fertility. May damage the unborn child. H373 May cause damage to organs (Liver, Testis) through pro- longed or repeated exposure. H373 May cause damage to organs (Blood, Testis) through prolonged or repeated exposure if swallowed.			
Precautionary Statements	:	<b>Prevention:</b> P201 Obtain special instructions before use.			
		<ul><li>P202 Do not handle until all safety precautions have been read and understood.</li><li>P260 Do not breathe mist or vapors.</li><li>P280 Wear protective gloves, protective clothing, eye protection and face protection.</li></ul>			

according to the Hazardous Products Regulations

### Levamisole / Oxfendazole Formulation

Version	Revision Date:	SDS Number:	Date of last issue: 04/06/2024
2.0	07/06/2024	10808165-00006	Date of first issue: 07/05/2022

#### Response:

P308 + P313 IF exposed or concerned: Get medical attention.

#### Storage:

P405 Store locked up.

#### Disposal:

P501 Dispose of contents and container to an approved waste disposal plant.

#### Other hazards

None known.

#### SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS

Substance / Mixture : Mixture

#### Components

Chemical name	Common Name/Synonym	CAS-No.	Concentration (% w/w)
Levamisole hydrochlo- ride	No data availa- ble	16595-80-5	8
oxfendazole	No data availa- ble	53716-50-0	4.53
Polyethylene glycol stearate	Ethoxylated stearic acid	9004-99-3	1.8
Citric acid	2- hydroxypro- pane-1,2,3- tricarboxylic acid	77-92-9	1.76
Silicon, amorphous	Silicon dioxide	112945-52-5	1

#### **SECTION 4. FIRST AID MEASURES**

General advice	<ul> <li>In the case of accident or if you feel unwell, seek medical advice immediately.</li> <li>When symptoms persist or in all cases of doubt seek medical advice.</li> </ul>
If inhaled	: If inhaled, remove to fresh air. Get medical attention.
In case of skin contact	<ul> <li>In case of contact, immediately flush skin with soap and plenty of water.</li> <li>Remove contaminated clothing and shoes.</li> <li>Get medical attention.</li> <li>Wash clothing before reuse.</li> <li>Thoroughly clean shoes before reuse.</li> </ul>
In case of eye contact	: Flush eyes with water as a precaution. Get medical attention if irritation develops and persists.
If swallowed	: If swallowed, DO NOT induce vomiting. Get medical attention. Rinse mouth thoroughly with water.

## Levamisole / Oxfendazole Formulation

Vers 2.0	sion	Revision Date: 07/06/2024		9S Number: 808165-00006	Date of last issue: 04/06/2024 Date of first issue: 07/05/2022	
and effects, both acute and May ca delayed exposu Protection of first-aiders : First Ai and us		May cause damage exposure. First Aid responder and use the recorr when the potentia	ay damage fertility. May damage the unborn child. ay cause damage to organs through prolonged or repeated posure. rst Aid responders should pay attention to self-protection, nd use the recommended personal protective equipment hen the potential for exposure exists (see section 8).			
	Notes t	o physician	•	I reat symptomati	cally and supportively.	
SEC	TION 5	. FIRE-FIGHTING ME	ASL	IRES		
	Suitable extinguishing media			Water spray Alcohol-resistant foam Carbon dioxide (CO2) Dry chemical		
	Unsuitable extinguishing media		:	None known.		
	Specific hazards during fire fighting		:	Exposure to combustion products may be a hazard to health.		
	Hazard ucts	lous combustion prod-	:	Carbon oxides		
	Specifi ods	c extinguishing meth-	cumstances and the surrounding environment. Use water spray to cool unopened containers. Remove undamaged containers from fire area if it is so.		he surrounding environment. o cool unopened containers.	
		Evacuate area. al protective equipment : In the event of fire, wear self-contained breathing appendix -fighters Use personal protective equipment.				
SEC	TION 6	ACCIDENTAL RELE	AS	E MEASURES		
	tive eq	al precautions, protec- uipment and emer- procedures	:		ective equipment. ing advice (see section 7) and personal ent recommendations (see section 8).	

 Environmental precautions
 Avoid release to the environment. Prevent further leakage or spillage if safe to do so. Prevent spreading over a wide area (e.g., by containment or oil barriers). Retain and dispose of contaminated wash water. Local authorities should be advised if significant spillages cannot be contained.

Methods and materials for : containment and cleaning up	Soak up with inert absorbent material. For large spills, provide diking or other appropriate containment to keep material from spreading. If diked material can be pumped, store recovered material in appropriate container. Clean up remaining materials from spill with suitable absorbent. Local or national regulations may apply to releases and disposal of this material, as well as those materials and items

#### Special precautions for user

The transport classification(s) provided herein are for informational purposes only, and solely based upon the properties of the unpackaged material as it is described within this Safety Data Sheet. Transportation classifications may vary by mode of transportation, package sizes, and variations in regional or country regulations.

#### **SECTION 15. REGULATORY INFORMATION**

The ingredients of this product are reported in the following inventories:						
AICS	:	not determined				
DSL	:	not determined				
IECSC	:	not determined				

#### **SECTION 16. OTHER INFORMATION**

Revision Date Date format	-	07/06/2024 mm/dd/yyyy

Items where changes have been made to the previous version are highlighted in the body of this document by two vertical lines.

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and shall not be considered a warranty or quality specification of any type. The information provided relates only to the specific material identified at the top of this SDS and may not be valid when the SDS material is used in combination with any other materials or in any process, unless specified in the text. Material users should review the information and recommendations in the specific context of their intended manner of handling, use, processing and storage, including an assessment of the appropriateness of the SDS material in the user's end product, if applicable.
