

General Conformity Certifications for Merck Legacy Products

The following General Conformity Certifications (“GCCs”) are being provided pursuant to section 102(a)(1) of the Consumer Product Safety Improvement Act for drug products that have child resistant packaging in accordance with the Poison Prevention Packaging Act and implementing regulations. See 16 CFR 1700.14. For results of testing demonstrating compliance with the PPPA and other information pertaining to these GCCs, please contact the Director of Packaging Development at (215)652-5163 or at CPSC_certificate@merck.com.
