“We continue to execute on our strategy, invest in leading-edge science and drive innovation as our colleagues deliver meaningful value for patients - which in turn provides value for our shareholders.

Our third quarter results demonstrate exceptional revenue and underlying earnings growth and sustained performance across our key growth drivers. Inspired by our purpose of saving and improving lives around the world, I am confident we are well-positioned to continue to deliver strong operational performance.”

Rob Davis
Chief Executive Officer and President, Merck
